DEDICATION

This dedication is to one, who has been an inspiration, a guide, a counselor, and a friend to each one of us. She has given unstintingly of herself to help us through our difficulties. She has led us forward with her level and clear thinking. This person has developed within us a strong sense of security, as she guided us, for the past five years, through our trials and tribulations. She is one whom we all love and respect. We will always regard her with reverence, and remember her as our guiding light. Her strength of character, her fairness, her sincerity of thought and action have encouraged us to become fine and upright students. We the Seniors of 1954, dedicate this yearbook to Miss Ethel Gildersleeve, for her countless efforts on our behalf.

WE PRESENTED

MISS GILDERSLEEVE not only serves as a friendly and willing counselor to all the girls in Newport High, but also as a capable student council advisor in our student government activities.

NEWPORT HIGH is widely known for its well disciplined student body, its fine spirit of sportsmanship, and its excellent scholastic standing. This is the reflection of our capable principal, Mr. George J. McIntosh.

OURSELVES

AS ASSISTANT PRINCIPAL, Mr. Keesee helps to schedule students' classes. He handles disciplinary and administrative problems, as well as personal problems. His jovial attitude adds much to the spirit of the high school.

TO THE

DR. NELSON is the co-ordinator of the entire Newport News school system. His job includes securing teachers and educational materials, and supervising the administration of the school system. Next year he will have the additional task of planning the re-building of the high school.

THE P. T. A. WITH MRS. J. W. CARNEY as president, is working continually to help bring about better relations between school and home. Their main objective this year is trying to secure higher salaries for our teachers.

WE ARE GRATEFUL to have an interested school board to supervise our needs. They serve unselfishly to improve our school.

THE SCHOOL BOARD—From left to right: Mr. Phillip Murray, Dr. C. Waldo Scott, Dr. H. G. Longaker (deceased), Mr. Harold W. Chandler, Mrs. George R. Dabney, Mrs. John E. Kritzer, Mr. S. D. Greene, Dr. R. O. Nelson.

FACULTY

Mrs. Ann Perkins Scruggs has served this community faithfully and excellently through her years of teaching in our high school.

Head of the English Department, she has been a model to both teachers and students in her ingenuity in organizing and presenting subject matter and in directing groups.

Independent in thought and convincing in speech, she has demonstrated the importance of self-reliance. Moreover, because of her sympathetic understanding of her students, she has encouraged many a one to struggle through his difficulty and overcome his problem.

Happy years to come, Mrs. Scruggs!

Your retirement is our loss.

THEIR AID

IN OUR GUIDANCE department, under Miss Mildred Kelly, we can find help on various problems ranging from choice of colleges and suitable vocations to selecting the necessary subjects for our high school curriculum.

MADE US ANXIOUS

OUR SECRETARIES, Mrs. Miller, Mrs. Fleig, and Mrs. Bowen, are kept busy with many different jobs each day. A few of these are typing, correspondence, and mimeographing. They also find time to aid students in school business matters.

UNDER THE SUPERVISION of Miss Saunders and Miss Garland, we have a well organized library to supply our literary needs. Our adequate selection of books affords much pleasure as well as knowledge to the high school students.

SCHOOL LIFE

OUR FIRST GLIMPSE . . .

NEW YEAR—NEW FACES. This is the first pep assembly for the year '53-'54. To each eighth grader entering, many new excited faces reflect their own.

AS RALPH RABINOWITZ hands out the colors to the incoming mice, he congratulates them as "full-fledged mice."

THE MICE.

"WE'RE POOR LITTLE MICE who have lost their way." This was the song which talented mice, Linda Ivins and Helen Flax sang in the mouse assembly.

THEY ARE FRIENDLY TO ALL.

NO WONDER our Bulletin Board always looks its best—Charlene Nachman and Jimmy Raynor work hard to keep it up to date.

HOW ARE YOUR aches and pains? Our school nurse, Mrs. Williams, is always ready and available to diagnose your troubles.

THE COURTEOUS and efficient cafeteria staff, under the supervision of Mrs. Hughes always serves fine meals.

HAVE YOU noticed that the doors do not squeak any more? The reason for this is that our capable custodian, Bill Martin, is always right on the job.

TACKLE THE DIRT and clean up the school. This theme for Clean-up Week was carried out in the winning posters by Ann Scott, Pat Moss, and Jimmy Raynor.

THEY HELP THEMSELVES

GABBY GARRETT, honor council chairman, and Mr. Plummer, honor council sponsor, get together to discuss their next case.

OUR GAILY DECORATED bulletin board proudly displays the sign of the Community Chest Week—giant Red Feathers.

CAIRMAN OF THE CLEAN-UP committee, Harry Simpson, begins Clean-Up Week by mopping the floor.

"OPEN YOUR HEART and Fill the Treasure Chest" was the theme of our successful March of Dimes Campaign.

AND THE

FRIENDLY TYPHOON "Smiling Sam" Goff, cautions Clifford King about being an unfriendly Typhoon.

COMMUNITY

GEE—I'M OLD ENOUGH TO VOTE! In Newport News High School everyone takes an equal part in the annual elections for student body officers. Registrars, Agnes Mae Dick, and Michael Frierman, give Tamsey Warren the O. K. signal to vote.

DURING SPECIAL "WEEKS"

THE SENIOR Bulletin Board exhibits a long awaited dream—the Senior Class Pennant. Daralie Siegel did an excellent job this year as chairman of the Senior Bulletin Board Committee. It served as an informer of important senior activities. The seniors congratulated Daralie on the attractive and up-to-date Bulletin Board.

THE SENIORS' DISPLAY ...

SENIOR CLASS SPONSOR, Miss Nancy Alexander hands out one of the first class rings to Shirley Simmons, as Nancy Marris awaits her turn.

PROUD AND HAPPY, Kim Weaver shows her ring to admiring underclassmen Judy Blechman, Mary Ann Sherman, and Elaine Lowenstern.

THE NEW LOOK

LOOK AT WHAT WE'VE got — shining new lockers. As you can see by the crowded halls, they are in constant use.

OUR PRIDE AND JOY, the new modern third floor, is an added attraction to our school.

EVEN THOUGH WE DID get new additions to our school, we did not forget our old friends, Barbara Ann Deal, and Eileen Rash.

N. N. H. S.' SWEETHEARTS

WE EXPLORED EVERY

HUNGRY STUDENTS wait in line for their turn at lunch time. The cafeteria serves nutritious and well-balanced meals at very reasonable prices. The school will get a new cafeteria next year. The efficiency of the cafeteria has always been increased by the students' cooperation.

ALL DRESSED UP to "Scalp the Crabbers" are the varsity cheerleaders: Marilyn Aranaw, Sue Hart, Head, Danna Keranen, Sherry Crasly, Barbara Underwood, Bertsie Webb, Darlene Mitchell, Daris Harpine, and Kiddy Dickens.

LOOK AT OUR "hefty" football players as they walk all over the Hampton Crabbers.

EXAM TIME is here again. Hopeful students, with fingers crossed, plunge into their work.

SUE HART'S pony tail, Bev Zegapulus' duck tail, and Rannie Stallings' "cat hat" are a few of the circulating fads around school this year.

DON'T THEY SEEM to be enjoying themselves? Sure they are! They are at one of the many dances held after the football or basketball games.

NOOK AND CORNER

DID YOU NOTICE the wonderful school spirit displayed at our football games? That was the Happy Hundred organized by Betty Lackey and Mr. Huller.

THIS IS A FAMILIAR sight between classes. This four minute intermission gives the students time for a "gossip" session.

AT THE ANNUAL FOOTBALL awards assembly the following were awarded and elected: Left to Right—Marvin Mitchell—Best Back; Jimmy McShane—Best lineman and Tri-Captain for '54; Wayne Sharpe—Tri-Captain for '54; Richard Holt—Tri-Captain for '54; and Mac Langston—Julian Gordon trophy.

OFF TO ANOTHER day of tests and activities are Dianne Wimmer and Fay Nachman, as they leave the school bus. Students come to Newport News High School from all parts of the peninsula. School begins at 8:45 and is dismissed at 3:35.

THIS IS A SNAP of behind the scenes in the Coach's Athletic office.

A PEEK INTO THE MICE

EIGHTH GRADE MATH is generally a review of grammar school arithmetic. Mr. Huller prepares his students to take the more difficult courses in math, which the high school offers. These students learn to solve practical problems that will help them in everyday life.

ALL STUDENTS who take the music course offered in the eighth and ninth grades, learn group singing, and acquire an appreciation for classical and popular music and their composers. Many music students continue their study in this field by taking chorus and band in following years. Here, Miss Sherman gives an explanation of a record which Millie Futrell is about to play. Looking on are Loftin Quinn and Virginia Dole.

A VOCATIONAL COURSE open to eighth graders is woodcraft. This course enables students to get a general knowledge of wood and construction. Gerald Anderson, Wayne Knight, and Johnny Kirby listen as Mr. Sommerville explains different methods of cutting wood.

ROOMS REVEALED THIS

THE UNFORGETTABLE Tom Sawyer lives again in the vivid imaginations of Frances Lawson, Bill Timberlake, and Carol Holloway, to whom Miss Walsh has just introduced Mark Twain in her eighth grade English class. Eighth graders begin their literature study, which will broaden in the succeeding high school years. In the eighth grade, students begin to read more varied types of books. Grammar also constitutes a large part of their study.

LIBRARY GUIDANCE is a course taken by eighth grades for one week when they first enter high school. This course familiarizes them with the library and teaches them how to use it correctly and efficiently. This is only part of the orientation program offered to the "mice" when they arrive in our high school.

THE CURRICULUM of N.N.H.S. includes more than just reading, writing and arithmetic. William Burbage and R. D. Williams enjoy the privileges of such specialized vocational subjects as drafting under the careful direction of Mr. Lyeth.

"FROSH" BEGIN TO

"TRES BON, MONSIEUR!" exclaims Miss Williams as she returns a test paper back to a hopeful student in his first year French class. Not only does Miss Williams teach the French language, but she familiarizes her pupils with French customs and other aspects of "goi paris." The class is conducted in French, and each student has his own French name. This strengthens one's ability to converse in French.

MISS FREE explores the activities carried on in the old Roman Colosseum, going back to the days of the colorful chariot races. Listening attentively are Richard Von Doenhoff, Ralph English, Phillip Collins, and Jimmy Shires, who are taking their first year course.

NINTH GRADERS enjoy Drama I in which they learn the fundamentals of play costing, directing and production. E. Roberts, S. Settles, C. Hordison, E. White, and T. LaPides rehearse the above principals.

PREPARING for higher mathematics, Miss Holiday's Algebra I class pursues the value of X in numerous equations. Also included in this course are practical problems concerning everyday situations requiring math.

HAVE MORE VARIED SUBJECTS

FUTURE HOMEMAKERS? Cooking is an important subject for girls who plan to be homemakers. The course includes not only preparing foods but planning a balanced diet and setting a proper table.

CAROLYN SIMPSON, Barbara Beck, and Sandra Turner are busily working in their sewing class under the watchful eye of Mrs. Orr. Girls in all grades are eligible for sewing and home management courses.

"SOPHS" SIGH AS THEY

"ONE, TWO, AND away we go," says Mr. Zimet as he rehearses the brass section of the senior band for a halftime show in a coming football game. Having received earlier training in the junior band, the students from the tenth, eleventh, and twelfth grades are eligible for the senior band.

MR. COLE LENDS a careful ear while Shirley Willis explains important grammar forms and pronunciation rules to her Spanish class. These rules are necessary for a thorough knowledge of Spanish. Mr. Cole's Spanish course enables students to become better acquainted with the South American people and Spanish customs.

PAT WILMOUTH, Adrienne Nettles, and Lynda Stein study the rich heritage of our country. United States history is a required course for graduation. It is taken in the sophomore or junior year and is a favorite course of all students. Maps, projects, and book reports aid in making the course more interesting. Current events, which will make future history more also studied.

SETTING TYPE perhaps for the school newspaper are V. Medlin, O. Marshall, C. Jefferson, N. Joyner, E. Carter, B. Lewis, B. Brown, J. Parker, R. Perry, and P. Siceloff, who learns the basic principles of printing.

WILMA BENTON points to a model of a seed, as she explains the steps of germination to her biology class. Joan Crawford and Gardenia Slone are very interested, as they study the frog preserved in formaldehyde.

MR. MARENCHIN encourages this group of musical students to learn the importance of group harmony and to acquire a better understanding of our contemporary composers.

FINISH TWO YEAR COURSES

JUNIORS WORK HARD SO THAT

"TRIANGLE ABC is congruent to triangle DEF because two sides and the included angle of each are equal, respectively," explains Anna Marie Thompson to Jacque Hueter in their plane geometry class. These are primary steps in geometric construction which later lead to more advanced problems.

A BASIC KNOWLEDGE of typing as well as a stable rate can be obtained by these typing I students. P. Ripley, K. Puckett, A. Thompson, M. Gatling, C. Johnson, and S. Hogge learn the importance of tabulating and letter-writing which goes to make good secretaries.

IN SHORTHAND CLASSES Mr. Willey becomes a dictatator. Kiddy Dickens, Bett Castelow, Barbara Fowler, Katie Lowrey, and Lenora Queensberry spend a bus hour each day learning the skill of quickly recording his speeches.

THEY MAY SOON BE

THESE JOURNALISM students are busily taking notes from their instructor, Mrs. Donohoe. Journalism students use their creative ability in writing and apply it to newspaper production. Mrs. Donohoe, the adviser for the "Beacon," must have full cooperation from her associate "editors."

MRS. SCRUGGS' American Literature class is learning to appreciate the finer works as they begin the study of Longfellow, whose statue can be seen in the background. Enjoying their work are D. Markham, L. Williford, M. Aronow, F. Nachman, D. Buchanan, and I. Nachman.

THE INTRICACIES of our government are discussed and explained to future voters. Here Charlene Nachman expresses her opinion on a current issue with Ann Mater, Betty Thomas, Mary Field, and Katy Morris.

SENIORS ... EACH CLASS

TOMMY KEESEE assists Ann Carney in locating Napoleon's encampment as Betty Hamilton and Ruby Harlow confirm his directions. Modern European history is relived in the classroom under the supervision of Mrs. Hurt.

THESE POSSIBLE future scientists are conscientiously working on a lab experiment in Mrs. Barham's chemistry class. Courses in both chemistry and physics are open only to juniors and seniors. Lab partners Frana Conn and Gene Wolfley work together, while Ivan Nachman and Lawrence Moss team up.

THE SECOND YEAR of algebra is as far as most students go in mathematics. Here, in an algebra IV class, Mr. Levy offers some practical suggestions on the use of the slide rule to Marcia Block, while Ronnie Stallings applies his knowledge on paper.

BRINGS THEM

"HOW DOES my voice sound?" asks Merle White as Tommy Keesee records her voice on the tape-recording machine. Harold Stanbrook standing; Shirley Simmons, Marlene Weymouth, Larry Musain, and Ronald Barlow help compile the material for the school program, "Typhoon Time." It is presented every Saturday by Miss Helmer's radio-speech classes.

SENIOR MATH is an excellent course for upperclassmen who benefit by this review of sometimes forgotten mathematics. Here Jerry Bunting and Shirley Simmons recall some fractional equations which are applied to mechanical devices.

NEARER

BEVERLY AND HELEN AVANT strive for more life-like detail in their pictures; a goal which they can obtain by following the suggestions from their well-trained art teacher, Mr. Cryer. In classes such as these, our students satisfy their desire for creative expression.

TO GRADUATION

STUDENT TEACHER, Dan Phillips, gives an explanation in logarithms to Mr. Levy's trigonometry class. Jeryl Diamant and Polly English are benefited by Dan's thorough explanation. Solid geometry and trig are the highest degree of mathematics taught in our school. Solid is taken in the fall semester; trig, in the spring.

BOOKKEEPING is the third course provided by the high school. Most students that take bookkeeping also take either typing or shorthand to accompany it. Here, Mr. Leonard is helping Nancy Hall to add a column of figures.

OUR LAST GLIMPSE OF

IN ORDER to create a vacuum, Sonny Spencer and Bobby Campbell must extract all the oxygen from this large bottle. Physics instructor Mr. Mays, supervises this experiment while Bobby Campbell, Bobby Stein, Bobby Fowler, C. Roberts, and N. Parrish look on with interest.

THE FUTURE of our highways depends upon the expert drivers' training course which our students receive under the school's supervision. Seniors have first choice in this course; then the juniors may take it according to their age. Coach Robinson gives a few pointers to Carolyn Dale, and Melvin Miller listens carefully.

STUDIES FOR A WHILE

THE FUNDAMENTALS of First Aid are taught in the boys' hygiene classes. Coach Range demonstrates artificial respiration on Ronnie Farrar while Larry Covert, Eddie Bond, and Herbert Clifton observe his technique.

ALSO, FIRST AID is studied by the girls' hygiene classes. Barbara Robertson has a cut on her arm. Quickly, Barbara Fowler assists Miss Alexander, by applying a cravat bandage, to hold the compress in place.

A GLIMPSE of what Typhoon opponents face this season.

IN A CRUCIAL game with Warwick, Coach J. C. Range and Bill Bullock seem to be closely studying the aggressive rebounding of the Free Staters.

AS THE SAYING goes, "Two heads are better than one." Typhoon co-coaches, Jack Powers and J. C. Range, led the Typhoon to a more convincing season than the record shows.

AFTER AN OPPONENT'S score, Typhoon Coach Jack Powers gives back, Wally Nesbitt, directions for setting up Typhoon offense.

WE CHEERED THESE BOYS

PIGSKIN REVIEW

THE GOLDEN TYPHOON, operating for the first time in schaal history under the direction and guidance of Ca-Coaches J. C. "Cowboy" Range and Jack Powers, provided us with what many say was the most determined, spirited, and fighting team ever to play in Saunders' Stadium.

Led by Ca-Captains Mac Langstan and Bill Floyd, the small and inexperienced Typhaans drapped their first two encounters of the season against the heavier and experienced Greenbriar Military Academy, and Jeffersan Senior af Raanake. Prafiting by the defeats, the Cald and Blue bounced by ta trip highly favared E. C. Glass af Lynchburg—(13-0).

The following week the Typhaan, while halding the Cammadares on even terms far over half the game, developed "fumbleitis", and were dealt their third loss of the season. Again it was Quarterback Mac Langstan, with the help af a vastly impraved forward wall, wha mixed up passes and ran such tricky plays, that the Presidents af Woadraw Wilson were never able to stap. After this convincing upset, farmer Typhaan caach, Pete Sachon, praclaimed Langstan as the finest quarterback in the State.

Warwick with probably the biggest team in Group I, taak the Cald and Blue the fallowing week in a convincing fashion, (20-7). Again it was fight and determination that accounted for the Typhaan's throttling of Narview (28 ta 6).

After the Narview victory, the Typhaan bawed out in two thrillers. Loasing at halftime 13-0, the Blue Camets af Granby with mare reserves bounced back quickly ta thrash the Typhoon 19-13. Craddock, like Granby scared with less than two minutes ta decision the Typhoon. Led by Marvin Mitchell, Wayne Sharpe, Jimmy Axley, and Bill Floyd, the Typhaan battled the high-riding Crabbers in a spine tingling brawl, only to bow out in the last quarter 21-7.

Marvin Mitchell and Jimmy McShane received the Peninsula Sparts Club awards; Mac Langstan received the Julian Gardon Trophy ta round aut a successful season.

FIFTY-THREE, FIFTY-FOUR HIGHLIGHTS

THE GOLD AND BLUE Typhoon cagers started off their season with new coach, Elmo Stephenson at the helm, and Captain Cecil Wright leading the team. Although the squad had only one regular back, they fought their way to a highly successful season.

They won a bid to the state tournament in Arlington. However, they were beaten, 63-50, in the first round by Lynchburg, the defending state champions.

When the basketball season came to a close, honors went to forward, Glen Nelson, who received the Penn Williams trophy for the best defensive player. Cecil Wright set a new individual scoring record of 40 points in one game, received the Agathon Club trophy for the most outstanding player, and was named to the All-State Group I basketball team.

COACHES LOU PLUMMER and Julie Cann talk over the track possibilities with Captain Clarence Roberts.

CINDER TRAIL

THE 1953-54 TRACK TEAM under the expert coaching of Lou Plummer and Julius Conn had a very successful season. The coaches were faced with a task of molding inexperienced but willing boys into another track team. The loss of such boys as Bobby Sterling, Taylor Gaode, Elwood Warren, Tammy Weymouth, Donald Jenkins, and Ray Sawyer was hard to replace, but through the wise knowledge and ability of the coaches, they came up with boys like Clarence Roberts, Jimmy Starbaard, Marvin Mitchell, Jim McShane, Alvin Mizelle, Jim Axley, Joe Parker, Phil Clark, and Buddy Stein to mention a few. The track team defeated Granby in their opening meet by a margin of one point which was decided by the crack relay team. The Typhoon then went on to win other dual meets with Hampton, Maury, and Warwick. They took fourth place in the Tidewater meet and improved their position by taking second place in the Eastern District Meet. The track team also entered the Virginian-Pilot Relays. During the course of these meets, Captain Clarence Roberts broke all existing Virginia high school records for the pole vault as he made a jump of 12 ft. 10 $\frac{1}{8}$ in. in the Tidewater Meet. Jimmy Starbaard also set a new NNHS record in the low hurdles with a time of 20.2. Through the efforts of Clarence Roberts and Jimmy Starbaard and their fellow team mates, the NNHS track team proved themselves "champions" by going undefeated in all dual meets for the 19th time in 20 years. Only once in 20 years has a NNHS track team been defeated in a dual meet. The Gold and Blue team were preparing for the state meet as we wrote their big story and all the track experts were predicting that the Typhoon tracksters would be in top contention for the state title even though every other competing team had more experienced boys than the Typhoons. The track experts knew that through the wise coaching of Plummer and Cann, the hard working boys and "never say die" spirit of the NNHS track team, the Typhoon would have to be the team to defeat for the state championship.

DIAMOND REVIEW

AS IN FOOTBALL, because of graduation, the baseball team was hampered and had few experienced players. Losing their first two conference games, the determined Typhoon stuck to the soying, "The horder you foll, the higher you bounce, if you be mode of the right material." They struck back to win 8 out of their next 12 games and thus go on to another successful am.

DANCING from left to right, we see the core of another fine team, Cooch Pete Robinson, Co-Captains Grody Webb and Percy Whitemon, and Coach Jack Powers.

BATTER UP!

CECIL WRIGHT jumps high into the air, trying to nab a high one.

BASEBALL is a comparatively new sport at NNHS, nevertheless, it is a popular and enjoyable one. Through the coaching and inspiration of Mr. Powers and Mr. Robinson, many boys have had a chance to participate in and enjoy athletics who would not have gained this experience if baseball were not played at NNHS.

A FIRST INNING drag bunt by Captain Grady Webb failed to start a Typhoon rally, although it went down into the books as a hit.

DANCING IN THE GYM is a new experi-
ence for the boys, who always find the girls
better dancers than themselves. Upon in-
vestigating the why and how of this, they
found it was because the girls received in-
struction in Gym Class. Here the situa-
tion is being remedied by a session of
square dancing with Miss Seats calling out
the figures.

ON THE FIELD in play, the girls find out how to apply the rules they learned in class. Sportsmanship and teamwork are important as the girls rush in for an exchange of blows in the drive for a goal. In addition to learning positions, the girls learn how to referee these heated battles.

In Memoriam

At this time we should like to pay tribute to Ross Futrell, who was killed in an automobile accident last July. He would have been a junior this year. Ross was a drummer in the Senior Band, and he also was a member of the Latin Club. He was well-liked by his fellow students and by his teachers and is sincerely missed by all. He was a member of the Orcutt Avenue Baptist Church and burial was in Greenlawn cemetery.

AFTER A STRENUOUS dance, Richard Holt, Clifford King, Wolly Nesbitt, Bill Edwards, and Richard Barbaur enjoy some refreshments served by Margaret Shreeves and Nan Barfield at the the Junior Jump.

THE BIG FOUR of the Junior Class are the officers: June Allen, Barbara Underwood, Jimmy Starboard, and Jimmy Hartan.

WAVING THEIR HANDS to the music of the latest dance craze, the hoke pake, are Pat Rollins, Gene Hedrick, Sherr Crossley, Lowrence Mass, Lois Willifard, and Phil Wheeler.

STANDING ON the troditional soap box, Jimmy Starboard promises sharter hours and no home-work, if he is elected president of the student body.

THE STUDENTS OF NNHS take great pride in their journalism publications. Of all these, perhaps the publication of the Anchor is the most difficult because it is a long range project. Members of the Anchor must work continuously from September until March. The Anchor, a tradition here, has been printed since 1896, and serves as an informative recorder of school functions. Anchor work is divided into many phases, some of which are: drawing a dummy, taking pictures, reducing pictures, writing copy, and proofreading.

IS THEIR CRY

THE BEACON, "The seeing eye of Newport High," is the high school's bi-monthly newspaper. It has been published since 1896 and is put out completely by the students. Students are eligible to work on the Beacon after taking one semester of journalism. Staff positions are re-assigned at the beginning of each semester.

The Beacon is a 4-page paper: the first page contains school news; the second page, features; the third page, club news; the fourth page, sports.

The Beacon publishes "extra" editions during the year along with their regular editions.

FALL BEACON STAFF: First row left to right: Francine Novak, Ginger Dovidson, Delares Markham, Nancy Horrison, Margaret Shreeves. LEFT row bottom to top: Elaine Stein, Shirley Gorris, Jimmy Bradley. MIDDLE row bottom to top: Mary Frances Sayre, Marsha Andrews, Donald Morgan. RIGHT row bottom to top: Jaanne Gaff, Nancy Baker, Nancy Morris, Rodney Llewellyn.

WE'RE ON THE AIR

TYPHOON TIME, NNHS's own radio program, is put on by the radio speech classes under the direction of Miss Helmer. Typhoon Time, which used to be known as Beacon-on-the-Air, is a 15-minute program heard every Saturday morning over radio station WGH. It presents interesting entertainment such as high school talent and interviews.

TYPHOON TIME: First row left to right: Frances Hicks, Marlene Weymouth, Harold Stanbrook, Lorry Mustang, Shirley Simmons, Louise Thorne. SECOND row left to right: Ronnie Borlaw, sponsor Miss Helmer, Gene Hedrick, Kit Coe, Kim Ferson, Ginger Davidson, Joanne Goff.

THE POETS' CORNER

LAUNCHINGS DIFFERS from other journalistic publications in that it is not completely self-supporting, and it is sponsored solely by the English Department. The purpose of Launchings is to encourage our students in the field of writing and to give recognition to those who have this ability. Each year, the magazine contains outstanding essays, short stories, book reviews, and poems.

LAUNCHINGS STAFF: Seated left to right: Porter Phillips, Michael Garrick, Myra Janes, Jeryl Diamant, Charlene Nachman, Myrtle Terry, Jeannette Harnsby, Adrienne Nettles, Margaret Johnson, Jean Wililoms. STANDING left to right: Dewey Faulkner, Sandra Tarn, Carolyn Todd, Cammie Dick, Betty Dail, sponsor Miss Burbank, Ronald Creech, Leland Edmunds, Fred Thomas, Kitty Howley, Jimmy Barker.

MEMBERSHIP IN

QUILL AND SCROLL is a scholastic journalism society, composed of students who have excelled in the field of high school journalism. At NNHS, a student's ability to meet these requirements may be based upon his work on either the Anchor, the Beacon, or Launchings. Students may apply for membership at three times during the school year in a letter of application, in which they state their eligibilities.

The NNHS chapter of Quill and Scroll is one of the oldest of all high school chapters as it was organized only three years after the national society was begun.

New members not shown: Barbara Drucker, Jeryl Diamant, Ann Adams, Vianne Bryant, Virginia Davidson, Daralie Siegel, Marsha Andrews, Donald Margan

THE NATIONAL HONOR SOCIETY is an honorary organization to which students who have excelled in leadership, scholarship, and character may belong. To be accepted as a member of this society is one of the greatest honors a student may receive during his high school years. In order to apply for membership, one must be nominated by a member of the faculty. The National Honor Society encourages good citizenship and service to the school.

THESPIANS IS AN HONORARY SOCIETY which encourages work in high school drama. Membership in the Thespians requires that the applicant do exceptional work in acting or in any other phase of play production. For outstanding work in drama, letters may also be received. The NNHS chapter is the oldest one in the state.

THE KEY CLUB, organized by the Kiwanis Club in 1949, is composed of high school boys who excel in citizenship, leadership, and who rank scholastically in the upper third of their class. Boys who are able to meet the above qualifications are accepted as members in their junior and senior years.

The Key Club, though a comparatively young organization, is perhaps the most active of all the honorary societies because of its civic work.

LANGUAGES ARE EDUCATIONAL

LATIN CLUB EXECUTIVE BOARD: Seated left to right: Adrienne Nettles, Jimmy Hartan, Barbara Drucker, Walter Leyland, Betty Walker, Vianne Bryant, Jeonnette Hornsby. STANDING

left to right: Wirtley Raine, Judy Slavin, Donald Margan, Margaret Shreeves, Ann Scott, sponsor Miss Free.

THE LATIN CLUB is perhaps the oldest of the language clubs and, this year, it has on roll about 50 members. The requirement for membership is that the student shall have passed Latin I with an A or a B. New members are usually initiated at a model Roman banquet. The official name of our Latin Club is the SPQR Latin Club, named after Caesar's favorite legion. The purpose of the club is "to provide social contacts for its members and to provide an opportunity to learn more about Roman background."

THE FRENCH CLUB, better known to its members as Le Cercle Francais, has become an active organization under the direction of Miss Margaret Williams. Any student now taking French, or any former student, is eligible for membership; and Le Cercle Francais boasts of 100 members. The club has six big meetings a year, plus frequent classroom meetings and committee work.

FRENCH CLUB EXECUTIVE BOARD: Front row left to right: Jeryl Diamant, sponsor Miss Williams, Michael Garrick. SECOND row: Mary Alice Revere, Barbara Patterson, Jaan Cabaniss. THIRD row: Dorothy Higginbatham, Ann Carney, Jay Wilks, Russell Rawe.

AND ENTERTAINING

THE SPANISH CLUB, under the sponsorship of Mr. Cale, is composed of approximately 50 members and is open to anyone taking Spanish. The club has been organized since 1920 under various teachers. The club holds three big meetings a year and this year it sponsored a school dance — "El Burro Top." The club also participated in a joint program with the Latin and French Clubs. They had a report on the United Nations Day exhibit at the YMCA. Slides of Mexico were shown at club meetings last fall. Officers of the club were on Typhoon Time on March 4.

SPANISH CLUB EXECUTIVE BOARD: Left to right: Sponsor Mr. Cale, Mary Glynn, Nancy Squires, Gabby Garrett.

THE SCIENCE CLUB, under the sponsorship of Miss Floyd, is indeed an active club. To qualify for membership in the Science Club, a student must have made superior grades in the required science courses and must show a sincere interest in the club. In May, the club will again participate in the Virginia Academy of Science meeting at which time its members display their projects.

THESE GIRLS KEEP

(LEFT) THE SENIOR CHEERLEADERS' vivacious smiles and wonderful school spirit will always be noticed by the students of NNHS. The cheerleaders are elected by the student body every year and they cheer at all varsity games and help to build up general school spirit by their carefully-planned and amusing pep assemblies.

(BELOW) Let's not forget the Junior Cheerleaders, for they, too, play a large part in keeping up school and team spirit. They cheer the "Breezes" at both football and basketball games, and also participate in pep assemblies.

SENIOR CHEERLEADERS: Counter clock-wise starting at front center: Donno Keronan (head cheerleader), Doris Horpine, Sherry Crossley, Kiddy Dickens, Borboro Underwood, Marilyn Aronow, Roberto Webb, Sue Hort, Dorlene Mitchell.

JUNIOR CHEERLEADERS: Left to right: Celia Siegel, Lindo Stein, Joonne Beecroft, Nancy Bigger, Sherry Podgett, Sondro Weaver, Carolyn Simpson.

SENIOR FLAGTWIRLERS: Left to right: Morjorie Krause, Beverly Zegopolus, Joon Coboniss, Jeon Winstead.

ABOVE) A COLORFUL feature is the Senior Flagtwirlers who add interest and entertainment to football games and pep assemblies with their snappy routines and skits. Flagtwirler aspirants practice during the year and go through a series of eliminations in the spring. The new flagtwirlers are chosen by the band director and present flagtwirlers. Being a flagtwirler involves many hours of hard work and practice. Aside from football games and pep assemblies, flagtwirlers march in parades with the band and appear in band concerts.

RIGHT) THE JUNIOR FLAGTWIRLERS will catch your eye when they perform. These girls will probably be next year's Senior Flagtwirlers and well-deserving they will be! Junior flagtwirlers do not appear at all JV football games but they are in pep assemblies and other assemblies. They also have to practice many hours to perfect their routines.

JUNIOR FLAGTWIRLERS: Left to right: Thelmo Spode, Anito Riley, Agnes Dick, Harriette Corson.

DRUM MAJOR, Carleton Spivey, leads Band Sweetheart, Marjorie Karuse, onto the field for the traditional ceremony. The presentation of the Band Sweetheart took place at the Cradock football game. The drum major has other duties beside leading the band at football games. He assists the band director in planning football half-time shows and in working out programs. The band sweetheart is elected each year by members of the Senior Band.

THE HAPPY HUNDRED Pep Club, as this group of enthusiastic fans is called, was newly organized this fall from a suggestion by the students. Its purpose is to add uniformity and spirit to game cheers, and marked improvement in cheering and behavior at once established it as a success. This group was organized by Betty Lackey and Mr. Huller was sponsor. Members were elected from all grades by their respective classes. One of the innovations the Happy Hundred introduced was card tricks such as are seen at football games at many colleges.

The annual tournament plays are entirely directed by students. Each class presents a one-act play, chosen by the directors. The plays are judged — superior, good, creditable or poor and an all-tournament cast of three boys and three girls is selected.

As every good player knows, it takes more than just acting to produce a successful play. There are many behind-the-scenes jobs that are vitally important. These jobs are taken care of by a group of drama students, who head their own staffs.

EAR FOR MUSIC

THESE MEMBERS of the Senior Chorus have been chosen for the All-State Chorus group. This group consists of students from high schools all over the state who have been picked for their great talent. It is indeed on honor to be one of this group. Many members of this group were soloists in the chorus' spring show, "Storlight of 1954."

The members often visit the neighboring elementary schools to observe methods of teaching. THE FUTURE HOMEMAKERS OF AMERICA is made up of girls who take, or who have taken, home economics, and who are interested in advanced sewing, cooking, and home management. This group not only trains girls to be better housewives, but prepares many of them for careers in homemaking. The club held their annual dance, the "FHA Snowball", in the cafeteria, before the Christmas vacation.

WE VIEW THEIR

THE DIVERSIFIED OCCUPATIONS CLUB is similar in purpose to the Distributive Education Club, but all students taking this course are not required to be members of the club. This course enables students to prepare themselves for future jobs while still attending high school.

OUR STUDENT LIBRARIANS do much to keep the library in an informative and orderly place. They help the librarians during their study halls, and before and after school. Their cheerful attitudes add much to the pleasant atmosphere of the library. Before becoming student librarians, they must familiarize themselves completely with all phases of library work.

THE DISTRIBUTIVE EDUCATION CLUB consists of all pupils who are enrolled in the distributive education classes. Through the activities of the club, students are taught leadership, and learn to regard the field of distribution as a profession. Through these courses, students also learn to be wise customers.

PLANS FOR TOMORROW

SENIORS LEAD

THE WAY

EDITORS

VIANNE BRYANT
DONNA KERANEN

UNDER THE LEADERSHIP of these capable officers, the Seniors had an activity-full last year in N.N.H.S. The officers: Kent Puckett, president; Jean Hudgins, secretary; Ann Carney, treasurer; Harry Simpson, vice-president; Gabby Garrett, Honor Council Chairman; Walter Leyland, Executive Board Representative; Franklin Mitchell and Ann Payne, Honor Council representatives.

THE BIG

DARALIE SIEGEL, Bulletin Board Chairman, hangs the Seniors' blue and white pennant as Joyce Crickenburger, Co-Chairman of the Pennant Committee, looks on.

JERYL DIAMANT, Motto Committee Chairman, confers with Donna Keranen, Invitation Committee Chairman, while deciding which motto should be presented to the class.

EACH FRIDAY morning find Senior Assembly Co-Chairmen Vianne Bryant and Walter Leyland, on the way to lead their committee in plans for the annual Senior Assembly.

SENIORS EAGERLY awaited the arrival of their rings. Here, Ann Carney and Jean Weaver, Co-Chairmen of the Ring Committee, admire this Senior emblem while writing receipts.

RECORDS FOR the Senior Dances! Under the able guidance of Myrtland Henderson and Thomas Keesee, Dance Committee Co-Chairmen, these dances are a great success.

HAVING TO CHOOSE from so many lovely flowers is difficult, but Cay Allen, Flower Committee Chairman, has an easy task with Frona Conn, Color Committee Chairman, to help her.

WHEELS

THE PERFORMANCES of these Seniors usually stay hidden until graduation. Then, however, the spotlight falls on them as they lead the class in graduation activities. They are Harry Simpson, Class Speaker; Jack Nelson, Music Committee Chairman; Vianne Bryant, Class Speaker; Clarence Roberts, Music Committee Member; Ralph Rabinowitz, Class Giftorian.

GRADY WEBB

DONNA KERANEN is the lucky leader of the lunch line.

THE SENIOR GIRLS' Football Team takes the spotlight.

THIS MAY be a preview of what the future holds for the Most Likely to Succeed Seniors, Vianne Bryant and Ralph Rabinowitz.

TRULY THE BEST All Around boy and girl, Franklin Mitchell and Ann Payne are the life of any party.

BETTY JEAN SMITH and Norris Padgett are the handsome couple who so well deserve to have been chosen the Best Dressed Seniors.

NANCY BAKER and Jimmy Wyatt display the talent which won for them the title of Best Dancers

HALL

"DON'T HIT ME!" pleads Jimmy Bradley, Wittiest Boy, as Gabby Garret, Wittiest Girl, threatens him with her shoe.

BEST STUDENTS, Walter Heyland and Kim Weaver, take time from studying for an informal get-together.

"MIRROR, mirror on the wall, who's the fairest of them all?" Maxine Damino and Berton Fowler, the Best Looking Seniors.

OF FAME

THE MOST - TALENTED pair, Dorothy Higginbotham and Jack Nelson, look forward to a bright future in the music world.

"V.P.I. is my college," says Kent Puckett, Most Popular Boy, to Donna Keranen, Most Popular Girl, as they compare notes on future plans.

MICKEY MARCELLA, Most Athletic Boy, gives Barbara Whitmer, Most Athletic Girl, a kind assist over the wall.

THEIR MAJESTIES

King Mac Langston and Queen Helen Perados

WE WERE INTRODUCED TO THE

Seniors:

The difference between a great person and an average person is that the great person sets up objectives in life and achieves them, while the average person just lives on, consuming time, but never stopping to figure out exactly where he is going or what he wants.

After objectives are set, three things are required to accomplish them: First, a knowledge of how to do the task at hand; secondly, a will to do; thirdly, the courage to surmount all objectives no matter how impossible it may seem to overcome them. Add to those a self-confidence, which you may achieve by saying over and over to yourself, "I can, I can, I can," and never let a semblance of "I can't" creep into your mind.

So now, as you enter the world of opportunity, remember that almost anything is possible if you try hard enough. Be a GREAT person.

Good Luck!

Nancy Alexander

CLASS SPONSORS

Class of June 1954

I congratulate you on having reached this important stage in your life. To many of you it is the first major accomplishment achieved by your own efforts. You have proved to yourself that you can; you need no fear of the future.

As you leave N.N.H.S., either to enter higher institutions of learning or to immediately become a part of your community, you will find that each tomorrow will bring new challenges. Face them with faith and courage. You will find that the teachings of your church, your home, and your school have fitted you for these emergencies. Have confidence in yourself — you have learned more than you now realize. Believe in your God — He will guide you aright, for from Him cometh all power. Be loyal to your country — obey its laws and keep it free. Be honest in all you do. Each of you has a part to play in the great scheme of things. Remember those to whose labors and unselfish service and sacrifice we owe so much. Their devotion to duty obligates each of us to the future. Let it never be said of you that a member of the class of 1954 failed in his duty.

Whatever be your lot in life you can make it the envy of others. Whatever task be yours you can put upon it a mark of dignity by giving to it the best that is in you. We are God's fellow workers. In the days to come may He grant you wisdom to choose the right, strength to uphold your choice, and character to make you beloved by your fellow man.

To each of the Graduates of the Class of 1954 my deepest appreciation. I assure you that I feel singularly honored to have been chosen your sponsor.

Sincerely,
Herman Levy

WITH THESE LAST NOTES, OUR

A PAUSE between classes with Joanne Goff and Glen Nelson.

SPRING'S in the air, so these Seniors turn their eyes from books and study for a while.

STUDY, STUDY, STUDY! Though these are their last exams, Dan Phillips and Helen Perados find they still are important.

ELAINE STEIN and Frona Conn join their friends for a typical "before school" session.

BIG STORY ENDS

"HE MUST be in here somewhere!" Daralie Siegel and Mary Alice Revere are two seniors who work not only in their classrooms, but as members of the office staff.

A LOT of discussion goes into the preparation for the big Prom date for Genis Bird Crowder and Berton Fowler.

TAKE A HINT, gal! Your sloppy socks need a garter.

"WHAT A day this has been!" sigh Seniors, Barbara Drucker, Allan Smith, and Charlene Nachman.

CONGRATULATIONS

We, the students of Newport News High School want to congratulate you, Miss Maguire and Mr. Huller for your Big Story. Without your untiring efforts, we could never have produced a successful yearbook. We hope that you have benefitted by this experience as we have. For years to come, your Big Story will not be forgotten by students of Newport News High School. It is our sincere hope that future yearbook staffs will have the fortune of your valuable services and will benefit by your able advice. It has truly been enjoyable to work with such good sports as you. With heartfelt appreciation, we award you our deepest thanks.

Your pay starts from the first day at the telephone company — even while you're learning your new job!

That's one reason so many young girls choose a telephone job when they finish school. They don't need experience to get this good job — and they're paid while they learn a skill that'll always be useful.

Find out more about the variety of telephone jobs from your high school counselor — or come in and see us when you finish school.

More than fifty years have passed since the inevitable step was taken which transferred a sprawling tidewater village into the dignified status of a city of the first class in the Commonwealth of Virginia.

Its past has been illustrious. But our justified pride in past accomplishments must not dim our eyes to the fact there is much left to do in the future.

A CREED FOR AMERICAN YOUTH

I resolve to let no time or opportunities slip unused by me; that in small things I will strive to do the best that I can in order that the big opportunities of the future will find me qualified. I realize that my future is an enlargement of the present. What I do in my high school years will make me stronger in character that I may help to make a stronger America.
